

PROFESSIONAL TECHNICAL SERVICES

**SERVICES THAT YOU
CAN TRUST!**

Our services are based on time rather than an individual service. This makes it easier for our customers to benefit from our wide range of services. You simply buy time and are entitled to all the services we provide.

Our customers are entitled to but not limited by all of the below services.

Services

- Installations
- Upgrades
- Migrations
- Outbreak Control
- Advanced Training
- ePO Health Checks
- Policy Compliance Review
- Network Security Analysis
- Proof of Concept Services
- Remote Support Services
- Onsite Support Services *
- Elite Business Class Support

Top 5 reasons for entrusting your technical services and support to Caveo Systems:

1. Caveo Systems deals solely in McAfee Security Solutions. We concentrate all our efforts on McAfee security technologies which makes us the best at what we do.
2. Immediate access to Tier 2/3 Support, all based from our Dublin office.
3. All Caveo Technical Engineers are fully McAfee certified to ELITE and ACE level.
4. Trusted by McAfee's largest customers in healthcare, banking, insurance, manufacturing and public sectors.
5. Caveo Systems is McAfee's prime partner in UK and the largest partner in Ireland.

These services are based on 12 month term. If all allocated time has been used prior to the end of this term, your Sales Account Manager will contact to advise you.

** Travel time and expenses will apply for works performed outside 30km radius of our offices.*
